IT and Design solutions

## Confluence

Where Technical  
Precision Meets  
Creative Vision

28.05.2025

— 09:30 AM

With small dreams and big goals ahead, it is our pleasure to invite you to the launch of our startup **Avarita IT and Design Solutions PVT. LTD.**, which is a service based company providing industrial support and academic guidance in the domains of *Computational Fluid Dynamics* and *Mechanical Engineering (IT) and Design*.

The word "*Avarita*" in Sanskrit translating to vortex or whirlpool, here represents what we deliver. The vortex in physics denoting the core of Fluid Dynamics while the form of the whirlpool being interpreted to represent the phenomenon of repetition and continuity in design, amalgamate to form what the company stands for.

With a core emphasis on research and development in the academic sector also, we hope to serve and connect both industry and academia.

Inviting you to join us at the launch of this event on the **28th of May 2025** at **9:30AM** followed by a networking hightea at **11:00AM**.

Thank you
